

**We are based at the Co-Op Pharmacy, at
267 Chingford Mount Road, South Chingford, London E4 8LP.**

We have our own entrance at the rear of the pharmacy; access is along the side road which runs between Platinum Interiors and The Village Coffee Shop on Hall Lane; our door is about 30 feet along on the left. The surgery is easily accessible from the North Circular Road (A406) by leaving the A406 at the Crooked Billet Roundabout and taking the A112 North (signposted for Chingford). The area is well serviced by local bus routes (including routes 97, 158, 212, 215, 397, and W16).

Our position is shown by the blue circle on the map:
